Ignite Your Business™ with Tango® Advantage Coated Cover

Tango Advantage outperforms the competition, giving you and your customers a distinct business advantage.

Feature	Benefit
Lifelike printed image	We know it. Printers know it. Now independent testing confirms it. We deliver superior printed images and exceptional results. That means repeat sales and satisfied customers for you.
Quantified runnability	It runs better on press. Better consistency. Less waste. Finish on time and under budget with this no-worry, hassle-free performer.
Clean-white styling	Get crisper colors and sharper contrast while maintaining outstanding color fidelity on press. Not too blue, not too warm, and preferred by more printers in a global survey.
Greater tactile feel	Because it is as much as 50% stiffer than some competitive grades, your printed pieces "feel" as good as they look to further enhance your brand image.

For all Tango products, our nationwide supply chain maintains hundreds of roll, skid and carton stocking items. So, stock or custom, as one of the largest providers of coated cover, we deliver what you want, when you want it.
