

A recognized leader in its category, Influence® is an excellent option for all types of upscale end uses. With a variety of weights from 45 lb. to 100 lb., Influence® extends the possibilities for coated freesheet applications in commercial print, catalogs, magazines and inserts. Its heavy basis weights deliver the printability and appearance expected of a higher grade paper while the light weights are ideal for postage sensitive applications. Influence®'s quality, variety and consistent performance provide peace of mind.
