IT'S SIMPLE.

Excellence in all things is our goal at Verso, and we believe that supreme excellence is simplicity. That's why we want to make your experience with us simple: from inquiries to purchasing — from the performance of our paper on press to meeting your sustainability goals. Doing business should be simple.

Verso simple.™

EXPERIENCE

Verso's award-winning products and services bring an extensive array of paper, experience and support to your print project. Velocity is just one of the many papers in our portfolio available to meet the needs of commercial print producers, catalogers, magazine publishers and advertisers. Our expansive product line allows us to remain flexible enough to support any movement or change in paper stock you may require. Wherever your print requirements take you, we have a paper that will provide the visual appeal and impact essential for exceeding your business goals.

ENVIRONMENTAL BENEFITS

- This product is available PEFC (PwC-COC-319), SFI or FSC (SW-COC-002775) certified.
- Recycled content is available upon request.
- Environmentally-friendly lightweight choices use fewer raw materials while providing the same high-quality print surface.

FEATURES AND BENEFITS

- One of the best values in its category; delivers exceptional performance and reproduction.
- Visually appealing with a brighter, blue-white shade.
- A variety of basis weights offered from 80 lb. to light-weight 40 lb.
- Excellent print gloss provides superior image snap.
- Reliable performance and runnability with consistent press performance.
- Broad basis weight range and excellent efficiencies on press help meet your diverse commercial print needs.
